

SUN CITY LINCOLN HILLS COMMUNITY ASSOCIATION

NEW RESIDENT COMMUNITY AMBASSADOR PROGRAM

Welcome to Sun City Lincoln Hills! One of the premier active-adult communities. As you begin the exciting journey of getting settled in your new home, after you have attended the New Resident Orientation, we would like to offer you the Community Ambassador Program as a way to help explore your interests and get involved with the community. We will pair you with one of our Community Ambassadors, a long-time resident that will help connect the dots that make up our Lifestyle.

An Ambassador is a volunteer who remembers what it was like being new to the community. The Ambassador will share stories about activities or groups they have participated in and offer insight on how you may take full advantage of the active lifestyle that we offer here at Lincoln Hills. As a new resident, you may like to attend a special event, register for a class, or join a special interest group. With so many activities, your Ambassador will help you connect directly to anything you may want to be involved in. The Ambassador will also introduce you to the Sun City Lincoln Hills Official magazine, the **COMPASS** which is a helpful tool to connect the dots.

This program is a free service. To participate in the program, simply complete and submit the attached application. In order to respect your time and the time of our Volunteer Ambassador, we limit our tour to a maximum of two hours. The entire tour will take place in the Orchard Creek Lodge. Please note we require a two-week notice. We are excited to help you make connections and become involved in the Lincoln Hills community. Please feel free to contact me if you have any questions or concerns.

Sincerely,
